# MEET THE SPEAKERS

---

## **Mr L Fouche - Dealer Principal**

The Omoda Principal drew parallels between the automotive and healthcare worlds, showing how trust, consistency, and attention to detail create outstanding experiences whether for customers or patients.

## **Ms KAP Madonsela - Witbank Hospital CEO**

The CEO highlighted five core values respect, commitment, creativity, efficiency, and innovation, framing them as essential to changing patient outcomes. Reinforcing the hospital's mission, she reminded attendees: "If we all do what we're employed for, the centre of excellence will be built."

## **Dr C Bondo - Witbank Hospital Interns Curator**

Dr Bondo emphasized the importance of ethics and professionalism in medicine, highlighting punctuality, timely responses, and efficient report-writing as key habits. The session reinforced that professional integrity and respect among colleagues are the foundations of a thriving medical environment.

# MEET THE SPEAKERS

## Ms K Madisa - ABSA Area Segment Manager

The ABSA Segment Manager for Mpumalanga Ms Madisa, shared the Customer Value proposition for Medical Professionals and practical tips on wealth creation and management, highlighting credit, budgeting, and smart decision-making as essential tools for long-term stability in the medical field.

## Ms Mosidi Shomang - Shomang Managing Director

The Managing Director of Shomang Group explored financial risk and security, emphasizing how understanding and managing risk is essential for long-term stability. The session reinforced that informed decisions and proactive planning safeguard both personal and professional financial wellbeing.
